

STEM REPORT

SAVING THE SHORES OF SEASIDE

TEAM _____

What is the major damage that the waves caused to the area?

Discuss how your plan solved any of the problems you tried to solve.

What are the problems that your team has to fix? Discuss any new problems that came up.

Take a look at each team's results. Develop a second plan and explain it on this page. How will your plan fix the problem(s)?

OUR PLAN IS:

WE THINK OUR PLAN WILL WORK BECAUSE:
