The Terrible Wave is a story about a fifteen year old girl who is in the terrible Johnstown Flood, trying to survive while she searches for her family.

The Johnstown Flood was one of the worst natural disasters in history. It killed thousands of people and left Johnstown in utter chaos. The flood was a terrible thing for everyone in it.

*"Listen, Miss Megan Maxwell," he said angrily. "What you think doesn't concern me at all! There are things that are right and things that are wrong, and whether your rich or poor, fat or thin, or whatever, it doesn't change it. -Marden Dahlstedt*
