The Terrible Wave is about a girl named Megan Maxwell and she learns to survive a horrible event and see that it doesn't matter whether you're rich or poor, it's all about your personality with a group of people that Megan doesn't even know.

This book gives an exciting detailed story of how one survives a tragic event to inspire others to overcome challenges in life.

~ The Daily Reader

A great nonfiction book about judging a person by his or her personality, not something else.

~ The Capital Review

A book that is exciting and a great book to read no matter what age.
