

The Terrible Wave

I would want to read The Terrible Wave ten more times. Nobody could take me away from historical fiction.

-DEL PASO TIMES

I nearly burst to tears when the dam burst. It was like Marden Dahlstedt was taking me on an emotional roller coaster.

-SENSITIVE READER

This is a fantastic book. I loved the drama and the satisfying ending.

-THE BOOK CREW

"We 've got to try before it's clear dark ," Brian decided,or we'll never make it." He looked at Tom.

The Terrible Wave, written by Marden Dahlstedt is about the Johnstown flood of 1889.Megan is the main character in the story.She is so rich and never does anything for herself, but that that all changes when the water hits.

In Johnstown,Pennsylvania 1889,there was a powerful flood that hit Johnstown.Alot of people died in the tragic event. Marden Dahlstedt has managed to capture the true happenings of the flood.
