

THE TERRIBLE WAVE

THE SUSPENSE GROWS AS THE STORY PROGRESSES BUT, THEN IT DROPS DOWN TO A MORE MILD STATE- THE BOOKY BOOK REVIEW

The main character of Megan Maxwell is forced to survive this terrible disaster. After the flood Megan spends the next two days searching for her papa. In the end two of Megan's family members have died and Johnstown is rebuilt.

Megan saw that it had been the great dark bulk of a horse, slack and floating on it's side, its large, soft eyes staring sightlessly into the rain. The trunk of a giant tree came rushing past, its roots waving above the water like a hundred searching fingers- Marden Dahlstedt

Dahlstedt has made the the reader feel the tension with the variety of details she has used- The detailed reader

The Johnstown Flood was a horrible disaster that left over two thousand people dead and even more homeless or hurt. It occurred in 1889 in Johnstown, Pennsylvania.

A great book based on facts of the terrible disaster- The booky book needs
