Daily Readers

I think that this book is exciting, thrilling, and a good book choice.

Book Worms

The Terrible Wave is a really good book. It has action, adventure, mayhem, and thrills, but it's your choice find that book read it and decide if you like it.

The Johnstown Flood is one of the worlds worst natural disasters. Only a few people survived and over 2,000 people died. I can't believe anyone survived because there's no way I would've survived!

THIS IS THE COVER OF THE BOOK.
