

# The Terrible Wave

**A girl named Megan had to survive a huge wave of water. She became a member of a group. The group had eight people in it and traveled to find family and friends. At the end of the book she found almost all the people she lived with.**

The Johnstown flood is a gigantic wave of water from the South Fork dam. It was one of the greatest disasters in the United States. The wave killed thousands of people.

*"The book, The Terrible Wave is truly magnificent," -The Mega Comic Writers.*
